

Annex 02

Site Map

La Vendimia Installation

A handwritten signature in blue ink, appearing to read "Gaudin", is located in the bottom right corner of the page.

DESCRIPTION OF PROJECT SITE

1. Objective

The purpose of this Exhibit is to describe the site area available for the construction of the project La Vendimia, including restricted areas, as well as electrical and access easements if applicable.

2. La Vendimia project's area description

The La Vendimia project's area is located in the province of Cauquenes, in the region of Maule, Chile.

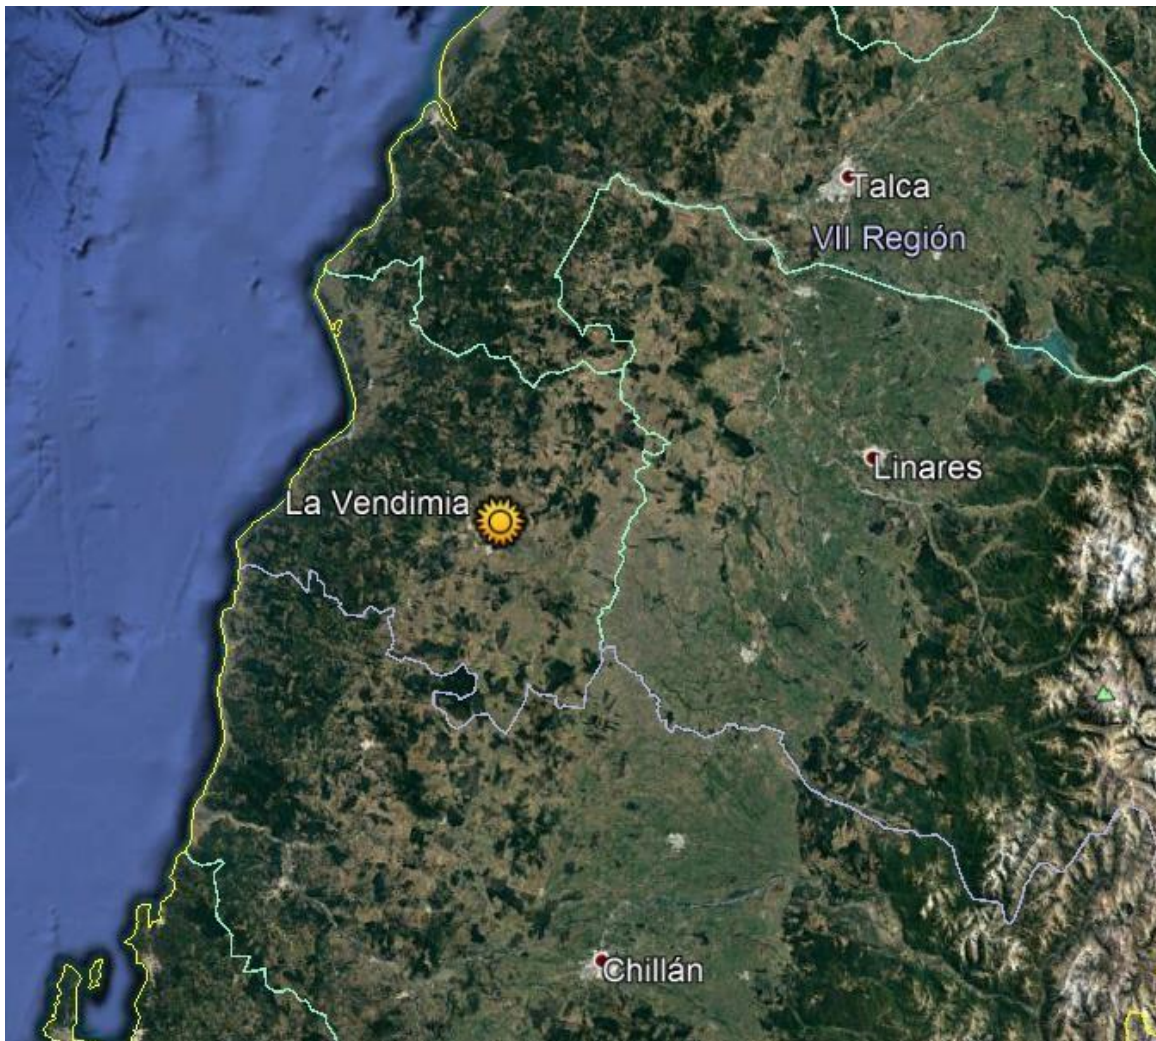

Figure 1: Project Location [1]

The area is approximately 31.09 [Ha] of rural land to the southeast of Cauquenes, in ROL N° 423-216, owned by “Agrocomercial Fénix Limitada”.

The coordinates of the project's area are as follows (UTM WGS84-Zone 18H):

Table 1: Project area coordinates

Vertex	East (mE)	North (mS)
1	743883	6014007
2	744084	6013829
3	744375	6013721
4	744273	6013492
5	744205	6013340
6	743514	6013553
7	743874	6014016
8	743883	6014007
9	744084	6013829

Figure 2 below shows a visual representation of the said coordinates.
